[Verse 1 : K'naan]
 Something bout Mary
 Never won a pageant
 Never felt pretty
 Never looked like Cameron
 Diaz was her last name
 Always been abandoned
 Keep your head up
 Baby girl this is your anthem
 There goes Hannah
 Showin' off her banner
 Rocking that crown
 Make them boys go bananas
 When you're insecure about yourself
 It's a fact
 You can point a finger
 But there's three pointing back

[Verse 2 : K'naan]
 His name was Adam
 When his mom had him
 Dad was a phantom never took a look at him
 Grew up mad and antisocial
 Hated outdoors, always in playing madden
 Adam was lonely
 Drugs were the only
 Way out of his own life
 Now he's slowly losing his fire
 Close to retire
 With one last hope he puts his arms up higher
 I can see him crying out, yeah
 Is anybody out there?
 He's really counting on your love
 Still struggling uphill
 But you act like you don't care
 Right now he could really use a shoulder
 Hanging onto the edge til it's over
 He's crying for your love tonight
 Loneliest heart to survive, he said

[Bridge]
 If you feel the way I feel
 Like you've been talking to yourself
 Well this one's for everyone who's felt invisible
 Lonely in a crowded room
 Searching for someone like you
 Can't do it all alone (no one can baby)
 Can't do it all alone (no one should baby)
 Is anybody out there? (somebody, anybody)
 Is anybody out there?
 I'm right here for your
 Is anybody out there?
